

Centre Manager Report

Hello and welcome to 2017. I trust you had a wonderful festive season and, for those of you lucky enough to have a break, I hope you have returned refreshed and ready for another year of exciting activities planned in Niddrie.

But Summer is not quite over so be sure to stay cool and look out for anyone who seems to be struggling with the hot days, especially the elderly.

The committee of the Niddrie Traders Association hopes to get as many traders on board as possible to ensure these events are lots of fun. Be sure to read your newsletter for upcoming events.

2016 Christmas Report

Christmas has come and gone very quickly. Christmas in Niddrie was very successful. The colorful street performers and roving entertainers were enjoyed along the streets, interacting with the traders and the public. The live band played to an enthusiastic public. The mechanical surfboard and the Cash Grab machines were a huge hit.

Special thanks to our tireless traders who gave their support on the day
